WESTWIND COMMUNITY GARDEN

The Church's plot!!!

Most of the plots in the garden are adopted by community members, but the church is adopting one of our own. If you are willing to help in any way (plan, plant, pull weeds, water, donate, etc) please let Rev. Casey know!

Celebrate!

After an intentional process of study, prayer, and discernment, on Sunday April 19th, WestWind Church voted unanimously to officially become "Open and Affirming."

Do you have a growing seed snail at home?

It's time to bring it in so we can plant it in the garden!

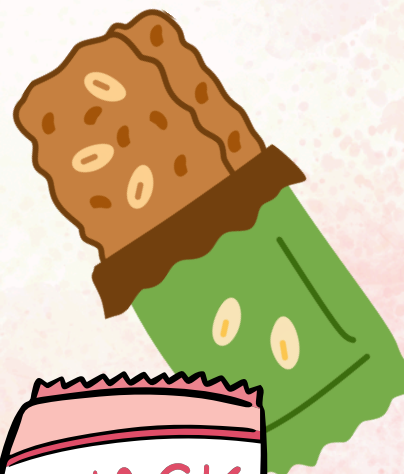

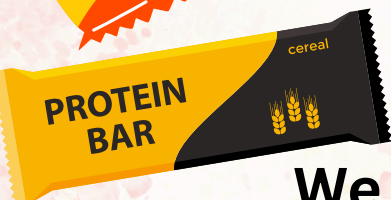

We're collecting snacks!!

The teachers appreciate having a supply of snacks available when students need a little something!

We will collect snack donations:

Individually wrapped

Nut free
